Dear Professor, Lysanets,

On behalf of the Chartered Institute of Personnel Management Sri Lanka (CIPM), I would like to express our sincere gratitude for leading the "Achieving Excellence in Academic Writing: Tips, Strategies, and Best Practices" training session for our students. The online webinar you conducted on May 9th, 2024, was truly inspirational.

We greatly appreciate your assistance in enhancing our students' professional skills through this training. The seminars were not only informative but also highly motivating. Dr. Anuradha Iddagoda and I are thankful for your significant contribution to our Institute's professional development.

Your efforts have broadened our students' perspectives in their respective fields, which is immensely valuable. The practical sessions were particularly enlightening, and your level of expertise was exceptional. I am grateful for the dedication and effort you put into helping our students advance their careers.

The Chartered Institute of Personnel Management Sri Lanka (CIPM SL) is a professional body affiliated with the Asia Pacific Federation of Human Resource Management and the World Federation of People Management Associations.

Once again, thank you for this valuable opportunity to learn and grow.
